REMAINS OF AN EARLY RESIDENT LAID TO REST

Large Attendance of Old Residents of Strathcona and Guests at the Funeral of the Late F. H. Saché

With an impressive concourse of friends following the hearse, the remains of an early resident of Strathcona were laid to rest yesterday afternoon at the grave of Rev. Mr. F. H. Saché.

Mr. Saché was a member, attended in a body, wearing their badges. There were many beautiful flowers.

The services were conducted at the home and at the grave by Rev. Mr. W. G. Duggan, Arthur McLean, J. J. Porte, J. Carcasses, W. H. McLean, and others.

The funeral took place from the residence on Sixth avenue, north, with the services held in the hall of the Strathcona Curling Club and the family residing for many years. This long house was torn down by Mr. Saché only a year ago.

With the addition in land value following the establishment of a town on this side of the river, Mr. Saché's house was the scene of his long lingering, work, until the present time his family holdings are still in the same place.

Beleas his widow, the deceased leaves a family of three grown children, two sons and one daughter.

A Pioneer of District.

Though only in his 22nd year, the late Mr. Saché, when a small boy, moved with his parents to Ramona, where he learned the printing trade in the office of the Spectator, a newspaper distinguished in the military annals, he associated himself with the militia work at an early age.

Fred Houston and Roy Sherman, two of the most prominent citizens of the town during the troublous time of the Fenian Raid. In 1861 he qualified as a member of the militia, a term corresponding to the Home Guard (of today) and competed in English and French.

Homesteaded in Horse Hills.

In 1872 Mr. Saché joined a survey party sent to the area by the Canadian Government, under the direction of Mr. Staunton, who was commissioned by the Dominion government to lay out

a section of land in the Northwest, which he had been sent to find for Edmonton, where he decided to remain. He homesteaded first in the area of the present town of Strathcona, and then took up the homestead which now gives the site for a large section of the town of Strathcona.

On this corner Mr. Saché erected his cabin close to the brow of the hill, which he established as a family residence for many years. This long house was torn down by Mr. Saché only a year ago.

Association, in the Commercial room of the Hotel Alberta, where the meeting of the building committee of the Edmonton Association will be held this evening to consider the erection of a \$10,000 stock pavilion to be submitted by the city.

F. G. Foster, formerly publisher of the Medicine Hat News, has been appointed to the building committee for the new district in the southwestern part of the province of the University of Alberta, will address the members of the Edmonton Association and the professionals.

Members of the Edmonton Baseball team returned to the city yesterday, having been away in search of players for the club.

He was successful in his quest, and with the addition of a few players the city is busy, but things were not so good when the team left at the present time. The Beavers will be in the play-offs on Saturday, and the Edmonton will be out of the next week.

City Commissioners were advised this morning that a number of men from the city of Edmonton on MacKenzie avenue have been using the street as a dumping ground for the trash of the houses. The city engineers have been requested to take steps to stop the action on the part of these citizens, and the city commissioners state.

C.N.R. LINE STRETCHED WEST.

The C.N.R. has immediately

on the line of the C.N.R. from Edmonton to the west, according to the statement of two of the engineers seen this morning, by the C.N.R. engineering department. The C.N.R. engineering department has been working on the line last night and will leave this afternoon for Stettler to have the state that men and supplies are already on the line. The C.N.R. has been in a constant arrival of favorable weather conditions before the portion of the line was laid.

The site on Fourth street, north of the old Soddy company, is being cleared of brush preparatory to the laying of the line. The old Soddy company last week is being cleared of brush preparatory to the laying of the line westward

and the portion of the line is already graded both east and west.

It is reported that the C.N.R. and Edmonton branch of the C.P. R. have been working on the line between the Rock Mountain House and the Rock Mountain King.
